Production of Pulses and oilseeds

462. SHRI JOYANTA ROY: Will the Minister of AGRICULTURE be

assista

ductic
countr

(c) the names of Centi
Research Institutes for pulses an
seeds in t
coordinatio
development?

THE MINISTER
MINIS

Statements

pleased to state:

(a) the state-wise production of pulses ond oil-seeds in the year 1993-94;

(b) the amount of Central financial rice to different States during Ihe snme period for the promotion of rovi cf pulses and oil-seeds in the \': and al Government I oil-he country with remarkable ' in the field of research nnd

OF STATE IN THE TRY OF AGRICULTURE (SHRI S. KRISHNA KUMAR): (a) and (b) I & Il are enclosed *(See* below).

(c) The institutions conducting research on pulses and oilseeds in the country are listed below:—

Pulses:

1. Indian Institute of Pulses Research, Kanpur.
2. All India Coordinated Research Project on Chickpea.
3. All India Coordinated Research Project on Pigeonpea.
4. All India Coordintaed Research Project on MULLARP.
5. All India Coordinated Research Projected on Arid Lecumes.

Oilseeds:

1. Directorate of Oilseeds Research Rajendranagar, Hyderabad.
2. National Research Centre for Groundnut, Junagadh.
3. National Research Centre for Soyabean, Indore.
4. National Research Centre for Rapeseed-Mustard, Bharatpur.
5. All India Coordinated Research Project on Oilseeds.
6. All India Coordinated Research Project on Groundnut.
7. All India Coordinated Research Project on Rapeseed-Mustard.
8. All India Coordinated Research on Soyabean.

A number of varieties with high yield potential and resistance to various diseases have been evolved by these research organisations.

In addition improved production and protection technology have also been evolved. These technologies are passed on to the farmers through the scientists of these Institutions by organising front-line demonstrations. These demonstrations have given higher yields over the farmer's practice.

Statement-I

State-wise production of Pulses and Oilseeds during 1993-94

(Production in '000' tonnes)
